This letter is to inform you of a change in the group purchasing designation for the **Lab Only Business** within these Ascension Markets: **Florida, Gulf Coast, and Kansas**. (Please reference *Attachment B - List of Facilities* for a complete listing).

The lab departments at these locations will be managed by Labcorp and thus will no longer be Participants with Ascension Health Resource and Supply Management Group, LLC ("The Resource Group"), effective **December 5, 2022**. Please refer to The Resource Group membership list for complete membership information, as set forth on Attachment B, and as updated from time to time at: <http://www.theresourcegroup.com/participantroster>.

Effective **December 5, 2022** lab purchases associated with the attached facilities will transition to the applicable Labcorp agreements. Please ensure the lab departments at these locations receive the correct pricing to reflect and support the transition to Labcorp. In return, please **remove** these locations from all contracts and agreements of The Resource Group.

Effective **December 5, 2022**, all payments and invoices should be sent to Labcorp Accounts Payable in accordance with the transition of management responsibilities to Labcorp. Please also coordinate with Labcorp if new account numbers need to be created.

Please reply to this email confirming your receipt of this request and your preparation to comply with the attached facilities as former Participants of The Resource Group by removing access to pricing on contracts negotiated by The Resource Group on December 5, 2022. By replying to the email, you have confirmed that all pricing related to The Resource Group contracts and agreements will not be provided post December 5, 2022.

Please contact The Resource Group's Customer Care Team at 314.733.8500 or ListenFirst@TheResourceGroup.com or if you have questions or need additional information.

Sincerely,

F. Dewayne Rader, Chief Sourcing Officer
