

ESSENTIAL BEHAVIORS FOR BUILDING COMMUNITY

We invite each associate to fully embrace and role model our Essential Behaviors for Building Community. *Each behavior is a direct reflection of our Ascension Values in action.*

As we join together as One Ascension, join us in *always* exhibiting these behaviors in any situation as a commitment to each other, our workplace community, and those we serve.

Join us in becoming a true reflection of our core values each and every day!

I respond to the needs of individuals:
Care for those we serve and those who serve beside us.

I take personal ownership:
Serve faithfully.

I proactively offer my own perspectives and solutions:
Engage fully.

I communicate transparently and respectfully:
Speak the truth in love.

I reflect on my actions, words, and intent:
Practice self-awareness.

I invite differing perspectives:
Welcome the other.

I listen to understand:
Seek deeper truth.
